- Because the camp environment involves a great deal of close interaction between campers and staff, our goal is to prevent the introduction of easily transferable illness to the camp environment. *Campers with any significant illness are not able to be admitted to camp until they have been symptom free for 7 days prior to the start of camp.*
- You will need to complete the Pre-Camp Health Screening Document for the entire week prior to your camper's week of camp.
- In the case of illness with your child, please call the camp office at (814) 632-6024 before coming to camp. We will work to reschedule any campers who are unable to attend their planned week of camp due to an illness.
- Check your Camper for lice prior to the start of camp, if lice are found, your camper will not be permitted to remain at camp.
- Balance must be paid in full before a camper will be allowed into their cabin.
- Remember to eat dinner before you arrive at camp as only a light snack is served on Sunday evening.

You may also send a one-way email by logging into your campers account. Emails must be sent by noon for delivery the following day. This is a great way to keep connected to your camper.

Social Media

Be sure to like and follow our Facebook and Instagram pages during camp!

Contacting your Camper

Please do not visit unexpectedly during the week. Campers are not permitted to bring cell phones to camp. If you have an emergency or need to get in touch with your camper, call the camp office at (814) 632-6024 first or email at office@mycampk.com. If needed, you will then be able to get in touch with a director.

Homesickness

Our staff are trained to deal with homesickness. Should you have a concern about your child while they are at camp, please contact the office before you make a decision about taking them home early. Given some adjustment time and a busy, fun schedule, most children are fine after the first full day of routine.

Special Dietary Needs

Those with a special dietary need should bring their own necessary supplements that can be prepared in a microwave. Please call if you have questions about your camper's special dietary requirements.

Absence from Camp

We highly discourage campers leaving camp for *any* reason other than emergencies. Emergencies do not include musical recitals, sports games, and tournaments. A refund will not be available for events such as these or emergencies.

Medications

All medications must be given to the camp nurse upon arrival. This includes vitamins, food supplements, over-the-counter medications, and all prescription medications. Any medication labeled with non-English information must have the label information translated to English. **All medications (prescription and over the counter) must be brought in their original container and in a labeled ziploc bag.**

Bug Spray/Sunscreen

Please send bug spray and sunscreen along with your camper as the Camp does not provide these items.

Camper Spending Money

Our store and coffee shop carries a selection of camp clothing, mementos, snacks, and drinks. These items will be available for purchase throughout the week. Money can be deposited either online or at Check-In at the Camp Store. Many campers spend about \$40 a week. The Camp Store will be open on Sunday evening for Check In for purchases as well.

Mid-Week Offering

Campers are given an opportunity to give an offering during an evening chapel which then goes toward the guest chapel speaker for that week. Offering can be given through the camper's store account.

Cabinmate Requests

We will do our absolute best to put requested cabinmates together. However please keep in mind that because of space limitations, we may not be able to fulfill more than one cabinmate request.

Lost and Found

It is highly recommended that you label all your camper's clothing and belongings with a permanent marker to help distinguish them from other campers' things. Please notify us *right away* if anything is left at camp. We will hold found items at the camp office for 10 days after the end of your camper's week at camp. Any items remaining after that time will be donated to charity.
