- Upon arrival at camp, we provide optional transportation to haul luggage up to the top of the hill.
- Because the camp environment involves a great deal of close interaction between campers and staff, our goal is to prevent the introduction of easily transferable illnesses to the camp environment. *Campers with any significant illness are not able to be admitted to camp until they have been symptom-free for 7 days prior to the start of camp.*
- In the case of illness with your child, please call the camp office at (814) 632-6024 before coming to camp. We will work to reschedule any campers who are unable to attend their planned week of camp due to an illness.
- Check your camper for lice before the start of camp. If lice are found, your camper cannot come to camp.
- Balance must be paid in full before a camper can enter their cabin.
- Remember to eat dinner before you arrive at camp as only a light snack is served on Sunday or Monday evening. Dinner will be served to the campers before their departure at the end of the week.
- **To Speed Up Check In**
 - Pay your camper registration balance before the start of camp
 - Use your online account to complete payment.
 - Call the camp office to pay over the phone, 814.632.6024.
 - Send a check: Camp K, PO Box 11, Spruce Creek, PA 16683.
 - Put money on your camper's store account.
 - Use the same payment methods listed above.
 - During Check-In you can go to the Camp Store to put money on your camper's store account.

- Pay for your child's care package before camp
 - **Reminder:** Care Packages must be purchased online.

Mail

Campers love encouraging mail!

Please send mail **no later than Monday to ensure it is received on time**. The camp's address is:

Camp Kanesatake

Camper Name

P.O. Box 11

Spruce Creek, PA 16683

Email Option

You may also pay a certain amount (\$5.00) and send one-way emails to your camper throughout the week by logging into your camper's account. Emails must be sent by noon for delivery the following day. Our camp staff will deliver these emails to your camper. This is a great way to keep connected to your camper!

Social Media

Be sure to like and follow our Facebook and Instagram pages to see camp week updates and pictures!

Contacting your Camper

Please do not visit unexpectedly during the week. Campers are not permitted to bring cell phones to camp. If you have an emergency or need to get in touch with your camper, call the camp office at (814) 632-6024 or email at office@mycampk.com. You will then be able to get in touch with the appropriate camp staff member.

Homesickness

Our staff are trained to deal with homesickness. Should you have a concern about your child while they are at camp, please contact the office before you make a decision about taking them home early. Given some adjustment time and a busy, fun schedule, most children are fine after the first full day of routine.

Special Dietary Needs

Campers with special dietary needs or allergies should bring their own meal replacements, which can be prepared in a microwave. Parents/guardians must provide a replacement meal if there is anything in the main course that their child/teen cannot eat. A camp week menu can be sent to parents/guardians upon request. Call or email the camp office at least 2 weeks before your camper's camp week if you have questions or need more information about your camper's special dietary requirements. (office@mycampk.com or 814.632.6024)

Early Departures from Camp

We kindly ask that campers stay at camp to *make* the most of their experience, leaving only for emergencies. If you have a special situation, please contact the camp office to speak with

the Registrar. Please note that refunds aren't available for situations like these.

Medications

All medications must be given to the camp nurse upon arrival. This includes vitamins, food supplements, over-the-counter medications, and all prescription medications. Any medication labeled with non-English information must have the label information translated to English. **All medications (prescription and over-the-counter) must be brought in their original container and in a labeled ziploc bag.**

Parents are responsible for picking up their camper's medications from the Nurse at pick up on Friday evening.

Bug Spray/Sunscreen

Please send bug spray and sunscreen with your camper as the Camp does not provide these items.

Camper Spending Money

Our camp store, ice cream shop, hot foods shop, and coffee shop carry a selection of camp clothing, mementos, snacks, and drinks. These items will be available for purchase throughout the week. Money can be deposited either online or at Check-In at the Camp Store. Many campers spend about \$40-50 a week. The Camp Store will be open during Check-In for purchases as well.

Mid-Week Offering

Campers are given an opportunity to give an offering during an evening chapel which then goes toward the guest chapel speaker for that week. The offering will be given through the camper's store account.

Cabinmate Requests

We will do our absolute best to put requested cabinmates together. Please keep in mind that because of space limitations, we may not be able to fulfill more than one cabinmate request.

Lost and Found

Labeling all your camper's clothing and belongings with a permanent marker is highly recommended to help distinguish them from other campers' things. Please notify us *right away* if anything is left at camp. We will hold found items at the camp office for 10 days after the end of your camper's week at camp. Any items remaining after that time will be donated to charity.

Angel Tree

Camp K collaborates with Angel Tree Camping, an organization that offers scholarships to children of incarcerated parents, making it possible for them to attend camp. Angel Tree partners with churches and camps nationwide. If you or your camper are associated with Angel Tree, please reach out to us for more information about financial assistance.
